Tanesia Thompson

Front-end Developer

Richmond, VA, United States
323-877-1527
Tthompson8416@outlook.com

Professional Summary

Detail-oriented front-end developer with 5 years of experience creating responsive, high-performance web applications. Proven track record of delivering pixel-perfect user interfaces and optimizing web performance metrics. Expertise in React, TypeScript, and modern front-end architecture, complemented by strong UI/UX sensibilities and a commitment to writing clean, maintainable code. My aptitude for creating accessible, user-centric applications, facilitates my ability to develop strategic approaches that drive business growth.

Employment history

Mar 2021 - Present
